**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic internet provider for a the following reasons: it is a small company competing with the big fish, customer privacy is a high priority, net neutrality is valued, fiber optic infrastructure is expanding providing an essential service for the public.

I am writing this to preserve the 1996 Telecommunications Act threatened by US Telecoms petition which would disable competition and eradicate consumer choice. I oppose the USTelecom petition.

Thank you
